

ACLIC 2017

The 3rd Asian Conference
on Liquid Crystals

TAIWAN
est. 1624

Important Dates

Abstract submission open: Aug. 15, 2016

Abstract submission deadline: Oct. 31, 2016

Author notification: Nov. 29, 2016

Early-bird registration deadline: Nov. 30, 2016

February 13~15, 2017

National Cheng Kung University, Tainan, Taiwan

Welcome to the 3rd Asian Conference on Liquid Crystals, ACLIC 2017

The Topics of ACLIC 2017

1. Molecular design, synthesis and materials
2. Phases, structures and ordering
3. Pattern formation and dynamics
4. Symmetry, chirality and phase transition
5. Interface and confined systems
6. Supramolecular and macromolecular liquid crystals
7. Nano-materials and properties
8. Lyotropic liquid crystals and liquid crystal colloid
9. Liquid crystals in bio-systems and applications
10. Liquid crystals in photonics and electronics
11. Liquid crystal displays and other applications
12. Theory, simulations and modeling
