

**Department of Optics and Photonics, National Central University, Taiwan**  
**Faculty Position Openings**

The department is inviting distinguished scholars for full-time faculty positions at all levels of Assistant, Associate, or Full Professor. The position is available from Feb. 1, 2019. Applicants with the expertise in areas of optics and photonics, especially in nanophotonics, Si photonics, quantum optics, and physical optics, are welcome. Proven experience in working with interdisciplinary research team is desirable.

Required application materials include:

1. A cover letter specifying the position to be applied for, as well as the applicant's academic expertise.
2. A resume including the applicant's education background, research achievements, research interests, publication list, and teaching interests.
3. Photocopies of degree certificates and transcripts
4. Photocopies of major publications
5. Autobiography
6. Three reference letters
7. Any other helpful materials

Application Deadline : **Sept. 1, 2018**

Please send the application to:

Chairman, Department of Optics and Photonics
